## DESIGN A SPRAY CAN

Design your own personalized spray can by adding your own tag or design with the use of markers and paint. Get creative through sustainability and take home your own piece of art!

## SPRAY & STENCIL

Learn the basics of spray paint and stencil art technique, while creating your artwork on canvas to take home.

## ART ON ACRYLIC

Create a graffiti-style work of art with paint markers, allowing you to take home a distinctive keepsake to remember your visit.

# TEAM BUILDING

## MURAL MASTERPIECES

Get your team's creative juices flowing by designing and painting a collaborative mural in our signature Street Art Experience Alley. Under the guidance of experienced street artists, your team will brainstorm, plan, and create a piece of art that reflects their collective vision, fostering teamwork and innovative thinking. The canvas will be 9ft long by 3ft tall, once dried, we roll it up and put it in a tube so you can take it back to your office for display. We can do custom canvas sizes too.

## STREET ART DESIGN COMPETITION

Teams will compete to design the most unique and visually striking piece of street art using provided materials. This competition encourages out-of-the-box thinking, creativity, and friendly competition. Your team will walk away with a piece of art they helped create and take it back to the office for exhibition!
